

ish

Class: Seco1

**Subject:** Written Expression

**Allotted time:** 01 H

**Correction of the Exam of the Third Semester**

.....  
**Choose either topic One OR Two:**

**Topic One:** Write a well-structured essay in which you answer the following question: Are you for or against banning violent video games ? Justify with valid arguments.

- The essay type is argumentative where students can stand for or against banning violent video games.
- Students can adopt block arrangement or point-by-point method to write the essay.
- Students should respect the norms of writing essay introductions with effective thesis statement.
- They should support their point of view with valid arguments.
- The essay should include a paragraph refuting the opposing point of view.
- The conclusion may summarize the essay key content OR gives recommendations or solutions.
- Cohesion and coherence, in addition to fluency and accuracy are part of the final evaluation.

**Topic Two:** Write a well-structured essay in which you answer the following question: What are the key similarities and/or differences between online commerce and traditional trade ?

- Students can write about similarities, differences, or similarities and differences between online and traditional commerce.
- Students can adopt point-by-point method to write the essay if they are comparing, or contrasting.

- Students can resort to block arrangement if they are comparing and contrasting. They can also resort to two body paragraphs arrangement: one for similarities and the second for points of differences.
- Students should respect the norms of writing essay introductions with effective thesis statement.
- The essay conclusion restates the essay thesis statement and the key similarities and/or differences between online and traditional trade.
- Cohesion and coherence, in addition to fluency and accuracy are part of the final evaluation.
