

SCHOLARSHIPS FOR FOREIGN STUDENTS

Study in Hungary with the best scholarships
– from Preparatory programmes to Doctoral level

> STIPENDIUM HUNGARICUM

The programme is **based on bilateral educational cooperation agreements** between the *Ministry of Human Capacities of Hungary* and the partner country's ministry responsible for higher education. The programme funds mostly full degree studies with scholarship and exchange opportunities.

More than 50 partner countries are involved and thousands of students **from all around the world** apply to study in Hungary each year.

> ERASMUS+

Erasmus+ is the **European Union's programme for education, training, youth and sport** which provides opportunities for over 4 million Europeans to study, train, gain work experience and volunteer abroad. Erasmus+ helps organise **student and doctoral candidate exchanges** within Erasmus+ Programme countries and to and from Partner countries.

> CEEPUS – the perfect choice for studying in Central Europe

> EEA Grants – the bridge to Iceland, Lichtenstein and Norway

> Bilateral state scholarships – broaden your chances and look for special scholarships

STUDY IN
HUNGARY

'Studying in Hungary is a good choice considering its central location in Europe, thanks to which it is easy to travel around the continent.' ERKÁ, Mongolia

Cutting-edge knowledge for a fair price – studying in Hungary is a good investment.

A European degree is the key to global job markets – get it in Hungary.

WHY HUNGARY?

Hungary is a hub for big international companies and startups connected to universities – the perfect place to see things in practice and build your network.

Whether you study IT, music, engineering, economics or agriculture, choosing Hungary is a great decision – the land where traditionally high requirements meet new ideas.

Budapest is the 8th most popular Erasmus destination – the place to be, the place to study.

EDUCATION, CAREERS AND NETWORKING GO HAND IN HAND

- Hungarian higher education has been a home of academic excellence for more than 600 years. Today, there are 66 higher education institutions in Hungary, ranging from small colleges to top research universities.
- More than 35 Hungarian higher education institutions offer academic programmes in foreign languages, mostly in English language – 550 full degree programmes at the latest count.
- Hungarians have always been good at music (from Liszt and Kodály to the Budapest Festival Orchestra) and have deep roots in medicine (think of Semmelweis), while today the capital is one of the most vibrant startup scenes, fuelled by companies like Prezi and Logmein.
- Hungary is proud to be in the top 20 of countries with the highest number of Nobel Prize Winners per capita.
- Thanks to the wide range of international student networks, you will never be alone here.

'The positive energy of Hungarians surrounds me everywhere. I feel so motivated every day when I get up, look forward to the day and feel content when I go to bed.'
AMBUJ, India

BEING IN HUNGARY IS FUN

- The cultural life of Hungary is very diverse and its many festivals attract world-famous artists in every branch of the arts.
- Hungary has a super vibrant youth life with a lot of fun activities in and outside each campus, including the trendy escape room games and the famous ruin pubs – it is pretty easy to socialise and to find new friends from all over the world.
- Hungary is a great place to discover, with lots of World Heritage sites such as the Banks of the Danube, the Tokaj Wine region, Buda Castle Quarter and Hortobágy National Park.
- Hungary is a world leader in medicinal spas, with over 400 hot springs – you will get addicted to the feeling.
